## INTRODUCTION

The creation of a portfolio in the world of web development is vital for its creator since it is an exhibition point to show the knowledge one has in this field. For this reason, I have commissioned this project to precisely address this need, offering its own image that will not only boost the online presence, but will also promote greater commitment to future companies and a significant improvement in the image of the developer, in this case own.

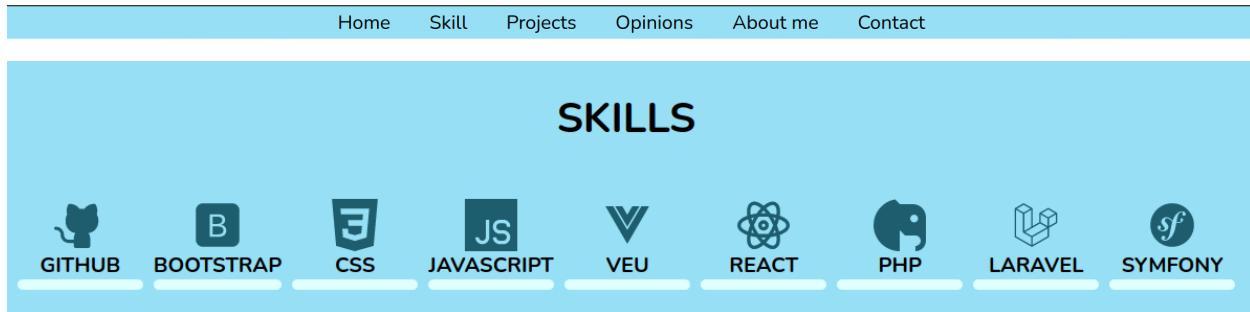

## MAPA CONCEPTUAL

# PRINCIPIOS DEL DISEÑO

## AGRUPACIÓN

Podemos encontrar este principio del diseño en las secciones del nav y skills.

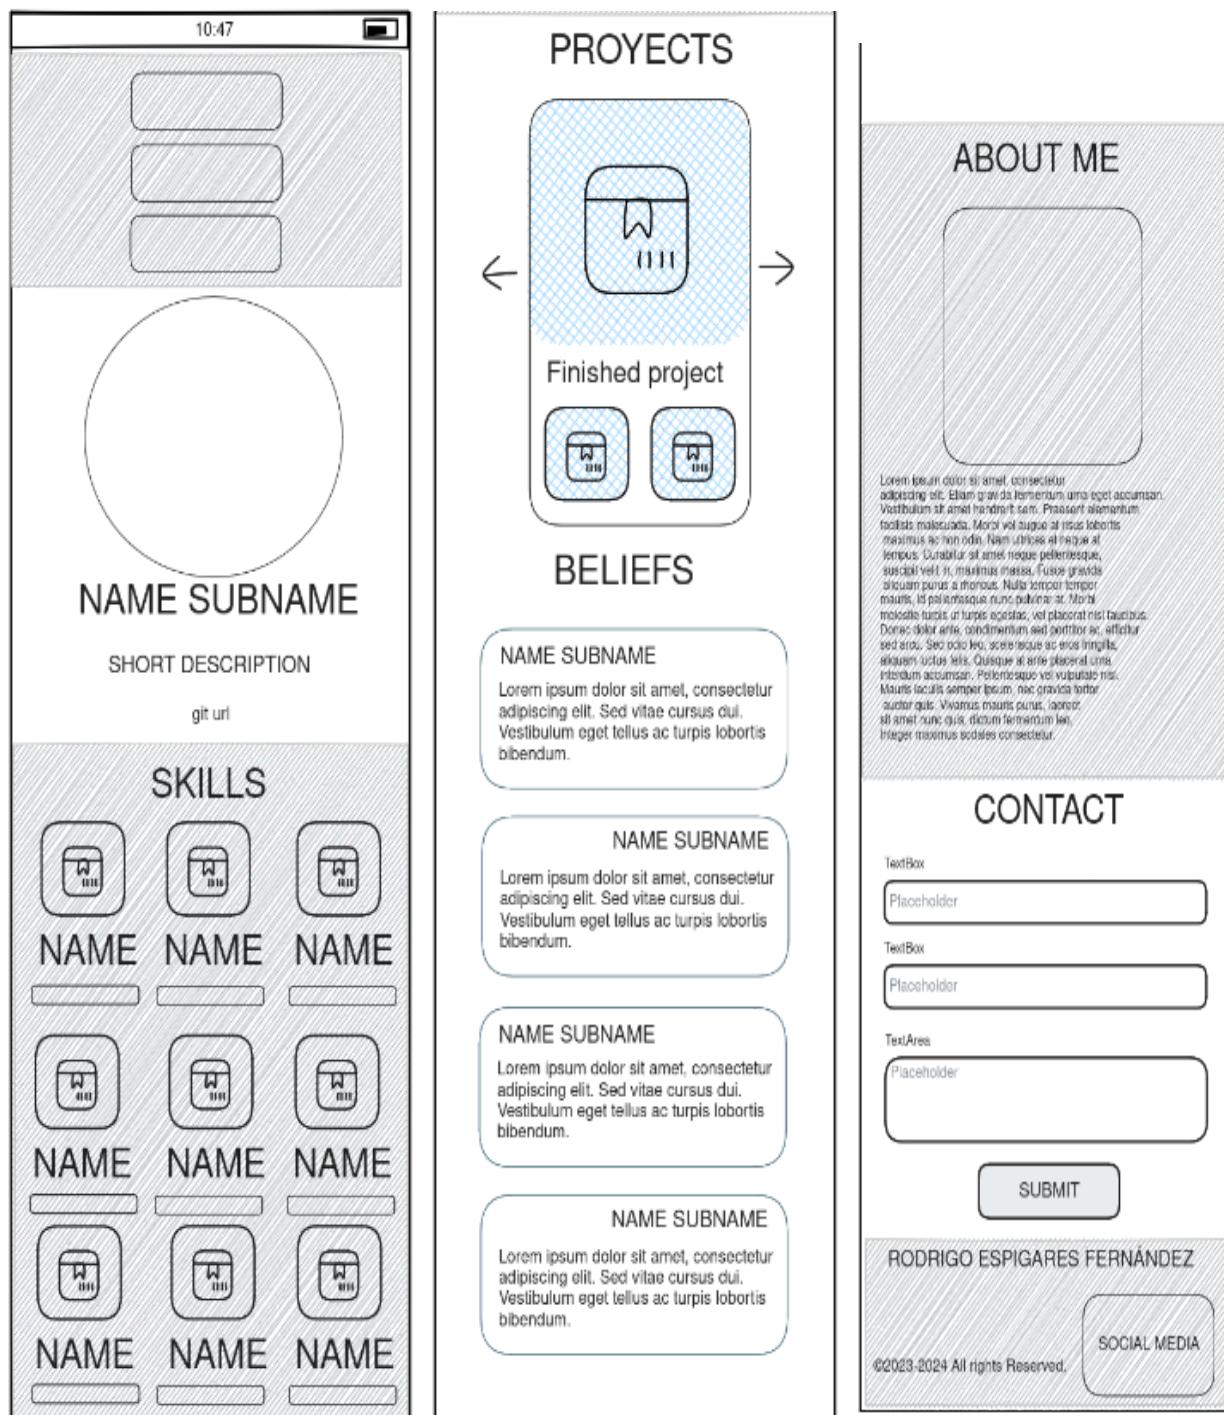

## CONTRASTE

Encontramos el contraste en el texto y en el uso de iconos, diferenciando aquellos que son útiles de los que son simple decoración, como vemos en el header, skills, proyectos y en el pie de página:

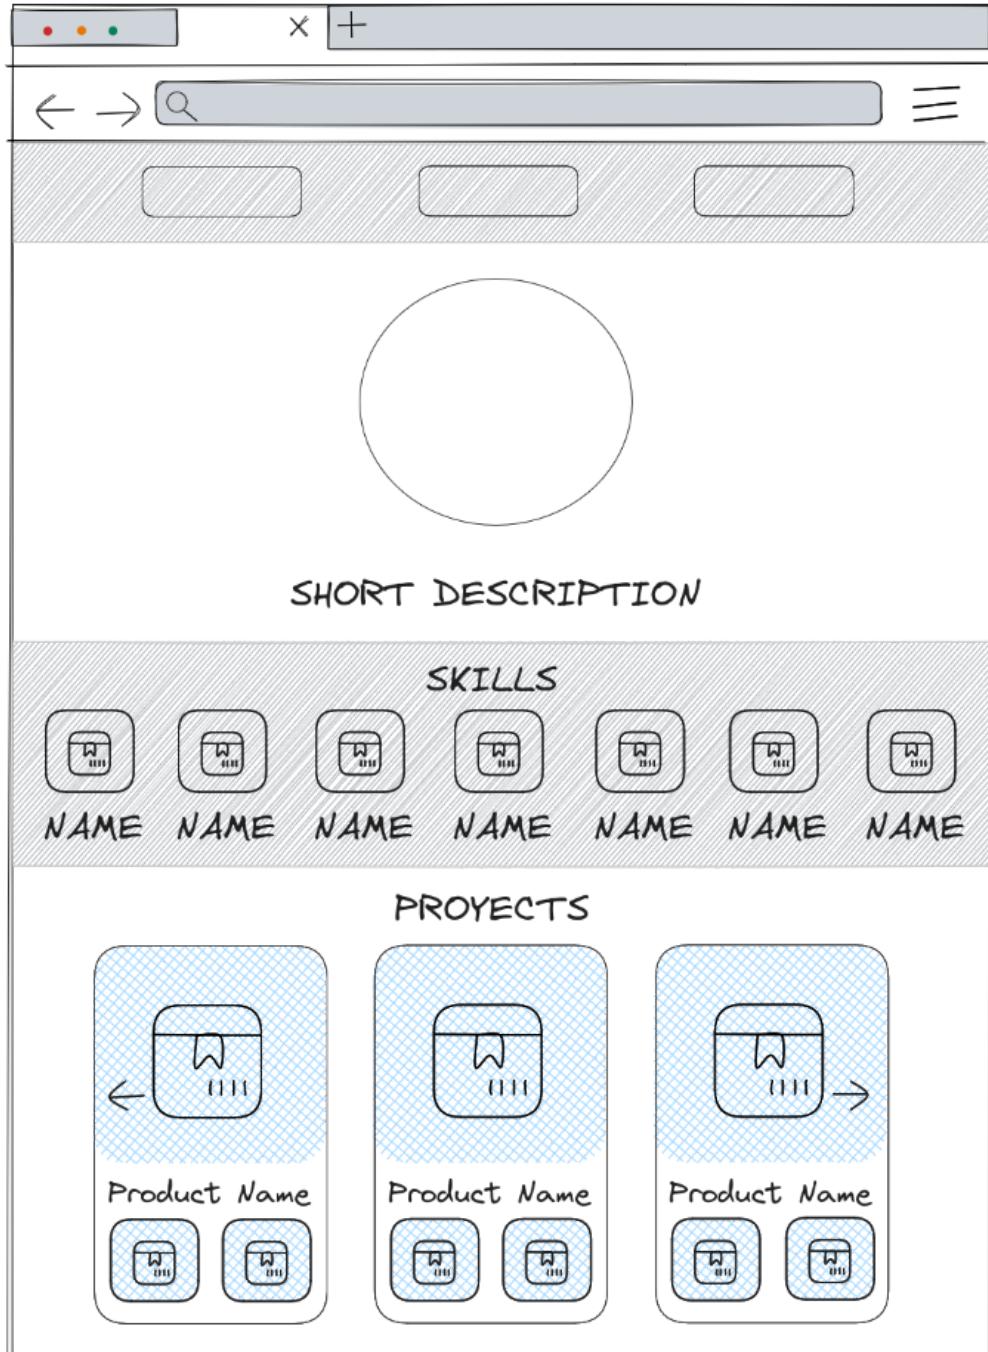

The screenshot displays a professional resume website with a light blue header featuring a yellow GitHub logo. Below it is a teal section titled "SKILLS" containing logos for GitHub, Bootstrap, CSS, JavaScript, VUE, React, PHP, Laravel, and Symfony. A thin horizontal bar spans across the middle of this section. Below this is a teal footer bar with the name "Rodrigo Espigares" and social media links for LinkedIn, Instagram, and X. The main content area below the footer is white and titled "PROJECTS". It features a dark screenshot of a "GUESSING GAME" application with colored squares, flanked by orange circular navigation arrows. At the bottom left of the main content area is a small orange GitHub icon.

# MOCKUP

## MOCKUP MÓVIL

This mobile resume template features a clean, modern design with a light blue background and white text. It includes sections for profile, projects, beliefs, skills, contact, and RSS feed.

**Profile:** A large circular placeholder for a profile picture. Below it, the name "Rodrigo Espigares" is displayed in bold, followed by the subtitle "Full stack developer".

**Projects:** A section titled "PROJECTS" featuring a grid icon. Below the icon is a placeholder for a project title, with arrows indicating scrollable content.

**Beliefs:** A section titled "BELIEFS" containing two placeholder entries for "Name Subname" and their descriptions.

**Skills:** A section titled "SKILLS" showing four skill categories with titles and progress bars. Each skill has a title, a progress bar, and a subtitle below it.

**Contact:** A section titled "CONTACT" with fields for "NAME", "MAIL", and "TEXT", followed by a "SEND" button.

**RSS:** A section titled "RSS" with a placeholder for "RSS FEED URL" and a "SUBSCRIBE" button.

**Navigation:** A horizontal navigation bar at the bottom with icons for Home, Projects, Beliefs, Skills, Contact, and RSS.

MOCKUP PC

The screenshot shows a resume template with the following structure:

- Header:** A blue header bar with navigation links: Home, Skill, Opinions, About me, Contact.
- Profile Section:** A large circular placeholder for a profile picture. Below it, the name **Rodrigo Espigares** is displayed in bold black font, followed by the subtitle "Full stack developer".
- Skills Section:** A section titled "SKILLS" featuring six skill icons with placeholder titles and "NIVEL" bars. The titles and NIVEL levels are as follows:
  - TITLE (Red NIVEL)
  - TITLE (Yellow NIVEL)
  - TITLE (Green NIVEL)
  - TITLE (Red NIVEL)
  - TITLE (Red NIVEL)
  - TITLE (Red NIVEL)
- Projects Section:** A section titled "PROJECTS" showing a single project card. The card includes a thumbnail image of a chessboard, the title "Title", a "Explain project" button, and a circular "Image" button. Navigation arrows (left and right) are positioned on either side of the project card.
